TO PROVIDE FOR EDUCATION INCENTIVE PAYMENTS TO COUNTY LEGISLATIVE
BODY MEMBERS OF LAWRENCE COUNTY GOVERNMENT

WHEREAS, under T.C.A. § 5-5-113, counties are authorized and encouraged to pay a supplement of six hundred dollars (\$600) to county legislative body members who successfully complete in each year at least eight (8) hours of continuing education training at conferences or meetings provided or approved by the County Technical Assistance Service (CTAS); and

WHEREAS, Lawrence County desires to provide for such an incentive payment in the sum of six hundred dollars (\$600) to county legislative body members who successfully complete the annual training, subject to budget availability and appropriation of funds.

WHEREAS, Lawrence County desires to provide said incentive payment in the sum of six hundred dollars (\$600) per annum to those county legislative body members who successfully complete the eight (8) hours of annual training during the course of a fiscal year (July-June) and submit proof of such completion to the Office of Accounts and Budgets, subject to the qualification that the continuing education credits required must be different from those used in obtaining or recertifying for other certifications that qualify for the incentive bonuses.

NOW THEREFORE, BE IT RESOLVED by the Lawrence County Board of County Commissioners, meeting in regular session on this 22nd day of July, 2025, that:

SECTION 1. Any county legislative body member of Lawrence County who is eligible to receive the incentive payment under Tennessee Code Annotated § 5-5-13, who has completed at least eight (8) hours of continuing education training at conferences or meetings provided or approved by CTAS and whose completion of such training has been verified by CTAS and has been submitted proof of such verification to the Office of Accounts and Budgets shall be paid the sum of six hundred dollars (\$600), such amount to be net of any taxes, whereby the county legislative body member takes how six hundred dollars (\$600). This incentive will be included in the budget and paid annually upon completion of the eight (8) hours of annual training; subject to the qualification that the continuing education credits required must be different from those used in obtaining or recertifying for other certifications that qualify for the incentive bonuses
